

**Table III Current and Pending Research Grant and Contract Support of the Training Faculty<sup>1</sup>**  
(Alphabetically by Faculty Member)

<sup>1</sup> PHS 398 (Rev. 5/01), page 67, section 8, Program Faculty, paragraph 1, "In a table, indicate active and pending research support for each participating faculty member...."

This table should replace Item C. Research Support of the "Biographical Sketch Format Page" of the PHS 398 (Rev. 5/01) kit for each faculty member. Include all support (Federal and non-Federal); do not include other training grants (these are in Table I).

**Rationale:** One component of the overall strength and suitability of the training environment is the pool of active and pending research grant and contract support held by the preceptors.
